Outlining & Developing The Blockbuster

EXT. FISHING VILLAGE - COAST - MORNING

KAVERI (12) is on a small fishing boat with her father, PAPA, both wearing equally raggedy clothes. They are kneeling over a net with a few fish flopping in it. Papa picks up one fish.

PAPA

The sooner you can catch the little ones the sooner you can catch the bigger fish.

Kaveri watched Papa with wide, curious eyes. Papa winks at her, waving the fish in her face playfully.

PAPA (CONT'D)

Remember, big fish will always go for the smaller and weaker fish. Such as life. But some smaller fish have sharper teeth than the bigger ones.

Papa scoops Kaveri in his arms. Kaveri squeals with delight.

PAPA (CONT'D)

That's what I hope for you when you are older. My small fry with the sharpest teeth in the world.

He gently tosses her into the air. Kaveri squeals again when suddenly a sea beast breaches the water in the distance. Papa cradles Kaveri protectively as the sea beast cries out loudly before crashing back into the water. Papa stares seriously at the sea beast as it dives under the water. Kaveri tugs on Papa's clothes.

KAVERI

Papa?

PAPA

Don't worry small fry, those beasts tend to stay away from this village. Greedy things. The sooner they are gone the sooner this village can prosper and we won't need to worry as much for you and your brothers.

Kaveri stares out at the sea where the sea beast had breached.

PAPA (CONT'D)

Never get close to them, they will kill anyone they see.

EXT. GOLDEN SANDS KINGDOM - DOCK - SEA BEAST BOAT - DAY

KAVERI (17) is standing in dirty clothes with a rug-sack, smiling. PENNY, in a clean sea beast hunters uniform, stares at Kaveri, baffled.

PENNY

Let me get this straight. You came from a small fishing village, a two day trip to the west, to get a job as a Sea Beast Hunter here?

Kaveri licks her lips and glances around confused.

KAVERI

Yes I am ma'am, my parents are needing a bit of help money wise and I was practically raised on the ocean.

Penny rolls her eyes in disbelief. She stands up and abruptly opens one of the crates next to her.

PENNY

You are crazy to start here looking for money, but hey, if you survive the trips it is worth it.

KAVERI

(excitably)

Do I get the job?

Penny pulls out a clean black rug-sack and tosses it to Kaveri who catches it and hold it against her chest. She abruptly smiles widely.

PENNY

Sure kid. Since you just started you will be on General Kumara's brig, just so you can understand how we do things around here. I have a bag for you with everything you need to get started.

Penny glances around the dock. Kaveri does the same. More SEA BEAST HUNTERS arrive on the dock with crates.

PENNY (CONT'D)

You might want to get ready now. The boats are going out...

Penny pulls out a sun dial, she smiles and motions to a boat with red sails.

PENNY (CONT'D)

In a solid five minutes.

Penny stares at Kaveri for a moment. Kaveri frowns before she jumps in realization. Her eyes jump from the dock to Penny.

KAVERI

oh? Oh! Ah, Thank you!

Kaveri bolts down the dock. Penny watches as Kaveri looks around confused and lost.

PENNY

Crazy girl.

INT. RED SAILS BRIG - CREW QUARTERS - DAY

Kaveri puts on the sea beast hunters jacket, completing the uniform. She hesitantly ties up her hair.

KAVERI

(to herself)

I'm no small fry anymore.

She takes the time to look at herself. Tugging on the clothes unsure.

KUMARA (O.S.)

All hands on deck!

Kaveri jumps with fright and bolts away.

EXT. RED SAILS BRIG - DECK - DAY - CONTINUOUS

Kaveri emerges onto the deck. OTHER SEA BEAST HUNTERS are running around the ship, some on sails, some holding weapons and waiting. KUMARA looks out to the deck, his eyes lock onto Kaveri, he smirks and slowly approaches her.

KUMARA

Youngling?

Kaveri freezes in place, staring back at him.

KAVERI

Yes? Sir?

Kumara stops a breaths away from her. Kaveri awkwardly looks away from him. Kumara studies her.

KUMARA

Have you ever hunted demons before?

KAVERI

Uh, no sir.

He points at her and then out to the sea.

KUMARA

Don't hesitate when you have one in your sights and you will be fine. Don't worry kid, you are currently on the safest ship here.

Kumara turns to walk away. Kaveri's eyes follow him.

KAVERI

What makes a ship safe sir?

He turns to look at her, he motions to his chest.

KUMARA

Me, kid.

Suddenly, at the front of the ship, a HUNTER 1 points out to sea.

HUNTER 1

General Kumara!

Kumara darts to the front and Kaveri curiously follows. On the horizon a sea best breaches. Kumara laughs enthusiastically.

KUMARA

There is our prize for the day! Ha!

Kumara rushes back to the wheel and starts moving towards the sea beast.

KUMARA (CONT'D)

Everyone to your stations!

Kaveri glances around as the crew moves to the sails and some arming themselves. The Hunter 1 gently tugs on Kaveri's shirt, catching her attention.

HUNTER 1

Don't worry, just follow me and I'll show you what you need to do.

Kaveri nods understandingly. The pair rush away.

EXT. RED SAILS BRIG - DECK - DAY - MOMENTS LATER

The sea beast has cornered itself in a reef. Kaveri and Hunter 1 are tugging and adjusting the sails. Kumara laughs triumphantly.

KUMARA

Ready on the harpoons!

Kaveri watches on as the sea beast almost beaches itself on the reef in an attempt to run. The sea beast is stuck and crying out. Kaveri eyes widen as Kumara points at the sea beast.

KUMARA

Now!

The once blue water is slowly stained in blood. The sea beast lies dead. Kumara and the rest of the crew celebrate. Kaveri stares at the sea beast.

KAVERI

(to herself)

It was defenseless.

Suddenly Kumara grips Kaveri's shoulder enthusiastically. She jumps with fright.

KUMARA

That's a decent pay day kid. Enough to support your family for a month.

He laughs waiting for Kaveri to agree. Suddenly his smile fades as he studies her guilty expression. He sighs.

KUMARA (CONT'D)

I know it is a tough sight first hand, but this is our job. You either get used to it or you get lost.

He motions to the dead sea beast.

KUMARA (CONT'D)

Just be glad this was an easy one.

Kaveri stares at the sea beast. She bites her lip, unsure.

EXT. GOLDEN SANDS KINGDOM - DOCK - NIGHT

The crew is unloading the ship. Kaveri jumps off the boat onto the dock. Penny creeps up next to her with a pouch of coins in hand.

PENNY

Evening crazy girl.

Kaveri gasps with fright and Penny laughs at her. Kaveri sighs with relief.

PENNY (CONT'D)

How was your first day out?

Kaveri pauses.

KAVERI

A bit more brutal then I expected.

Penny frowns for a moment.

PENNY

That's unfortunate. I did say it pays well. Have a look at this.

She tosses the pouch to Kaveri. Kaveri catches it and eyes Penny in confusion. Penny motions to the pouch and Kaveri hesitantly opens it, revealing a large amount of gold coins. Kaveri's eyes widen at the sight.

KAVERI

(breathlessly)

What is this for?

PENNY

Your first pay, everyone gets the same amount after successfully killing a sea beast.

Kaveri pauses. She stares at Penny then back at the coins.

KAVERI

(slowly)

But it was not moving.

Penny shrugs.

PENNY

No one here cares how they die, just as long as you kill them successfully.

EXT. GOLDEN SANDS KINGDOM - CAMPSITE - KAVERI'S TENT - NIGHT

Kaveri is curled up on her mattress with a pen and paper in hand. Her hair is loose and she is in baggy grey clothes with and embroidered sea beast hunter's crest. She writes on the paper.

KAVERI (V.O.)

Father, my first trip out was not as dangerous as I thought it would be, but unfortunately it wasn't as pleasant either.

Kaveri hesitates.

KAVERI (V.O.)

It feels so wrong to hunt these beasts. I haven't come across one that wanted to fight back, which is concerning to me. Maybe I should pursue something else.

Kaveri frowns, reading it over. She abruptly crumbles the paper and tosses it into the corner. She frustratingly combs through her hair.

KAVERI

This is stupid, everything is fine, it is good money. I need to grow up and just do it.

She crashes into the pillow and groans loudly.

EXT. GOLDEN SANDS KINGDOM - DOCK - MORNING

Penny is standing with her clipboard taking stock as the crew loads up the ship. Kaveri sees Penny and rushes up to her happily. Penny sees her and smiles.

PENNY

Morning crazy girl.

KAVERI

Question, Penny.

Penny smirks, turning her attention to Kaveri.

PENNY

Fire away.

Kaveri smiles widely.

KAVERI

If sea beasts were completely harmless would we still hunt them?

Penny pauses to think for a moment, she shrugs.

PENNY

That is a good question, probably not why?

KAVERI

I had a dream where we lived with them peacefully.

PENNY

That is some dream.

Kaveri leans in enthusiastically.

KAVERI

And then--

Penny laughs and cuts off Kaveri.

PENNY

You can tell me all about it when you are back, the ships are ready to go.

Kaveri glances at the ships and nods understandingly.

KAVERI

Oh okay, promise?

Penny winks.

PENNY

Absolutely.

EXT. RED SAILS BRIG - DECK - DAY

Kaveri is looking out to sea as the crew moves around the deck slowly and patiently. Kaveri sees Kumara in the corner of her eye, she perks up and hesitantly approaches him. He notices.

KAVERI

How long have you been hunting them for?

Kumara shrugs casually.

KUMARA

A good twenty five years of my life.

KAVERI

How often do you encounter aggressive ones?

Kumara pauses. He stops at the back of the ship and stares down at Kaveri cautiously.

KUMARA

Not as often, why are you asking?

KAVERI

Been thinking about if it was necessary to kill them.

Kumara's eyes twitch. His gaze turns serious.

KAVERI (CONT'D)

Why not drive them out of the area?

Kumara grits his teeth. Kaveri notices and takes a step back.

KUMARA

Kid, listen here, those monsters have done a fair share of sinking ships. They have killed and they have orphaned a lot of people on the ships in the fleet.

Kaveri glances around the crew and notices that there aren't other ships around their ship.

KAVERI

(whispering)

Would it not be cheaper and safer to drive them out?

Kumara cocks his head to the side, getting agitated. He leans towards Kaveri, intimidating her with his size.

KUMARA

(whispering)

You are asking too many questions kid. I'm not fond of it. It could get you into trouble.

Kaveri pauses and looks up and Kumara with wide curious eyes.

KAVERI

I don't understand why asking questions is bad.

There is a long pause. Kumara closes his eyes in thought. He strightens and glances out to the sea from the back of the ship.

KUMARA

I think you have just become a liability.

Kumara glances around the ship, no one notices that Kaveri is with him. Kaveri looks around too, unsure and nervous.

KUMARA (CONT'D)

Go chum the water.

Kaveri glances up, shocked.

KAVERI

But sir--

KUMARA

That is an order.

Kumara stares down at Kaveri seriously. She stares back and hesitantly nods her head.

EXT. RED SAILS BRIG - BACK OF THE SHIP - MOMENTS LATER

Kaveri is hunched over the water, throwing chum into the water. She looks up at the sea and notices nothing.

Kumara is in the far back corner, shrouded in shadows, watching her and patiently waiting.

Suddenly a sea beast breaches the water. Kaveri jumps up quickly and turns around to get to the main deck. She freezes, finally noticing Kumara. She watches intensely as Kumara emerges from the shadows and slowly creeping to her.

KAVERI

Sir?

KUMARA

Remember when I said asking questions will get you in trouble? This is trouble.

Kumara is inches from her. Kaveri steps back, scared. Kumara

forces Kaveri on the edge. He stops inches from her.

KUMARA (CONT'D)

I want you to know that you are not the first person to ask such questions and I doubt you will be the last. It is not personal, I just don't want the trouble.

Kaveri's eyes go wide with fear. Kumara stares at her, a cold expression caved in his face. Kumara suddenly and violently pushes her into the water. Kaveri screams as she hits the water.
